FEATURES

- Rapid Boiling: Boils water quickly.
- Cool-Touch Handle: Safe and comfortable handling.
- Stainless Steel: Stylish, durable, and long-lasting.
- Large Handle: Comfortable grip and pouring.
- Safety Features: Automatic cut - off for protection.
- Detachable Lid: Easy refilling and cleaning.
- 360-Degree Swivel Base: Allows easy handling from any angle.

DRY IRON

Ajanta[®]
QUARTZ

ULTIMA

DRY IRON

FEATURES

- **Thermal Fuse**
 - Protects from overheating
- **Thermostat** - Regulates optimum and constant temperature
- **Multiple Temperature Level**
 - Gives convenience to use different temperature as per cloth type
- **American Heritage**
Double Coating
- **Heavy Body Design**
- **Heavy Weighing Body**
- **1000 Watts for Instant Heating**

AEROSLIDE

DRY IRON

FEATURES

- **Thermal Fuse**
 - Protects from overheating
- **Thermostat** - Regulates optimum and constant temperature
- **Multiple Temperature Level**
 - Gives convenience to use different temperature as per cloth type
- **German Double Coating**
For increased strength and durability and non stickiness to clothes
- **Smart Design** - Stylish new body with better grip and handling
- **1000 Watts for Instant Heating**

DRY IRON

Ajanta[®]
QUARTZ

EAZYGLIDE

DRY IRON

FEATURES

- **Thermal Fuse**
 - Protects from overheating
- **Thermostat** - Regulates optimum and constant temperature
- **Multiple Temperature Level**
 - Gives convenience to use different temperature as per cloth type
- **German Coating** - For increased strength and durability and non stickiness to clothes
- **Smart Design** - Stylish new body with better grip and handling
- 750 Watts for Instant Heating

DELUXE

DRY IRON

FEATURES

- **Thermal Fuse**
 - Protects from overheating
- **Thermostat** - Regulates optimum and constant temperature
- **Multiple Temperature Level**
 - Gives convenience to use different temperature as per cloth type
- **German Coating** better made Quality Coated Sole Plate
- 1000 Watts for Instant Heating

EXTENSION BOARD

Ajanta[®]
QUARTZ

AEB-115 & AEB-140

4 WAY EXTENSION BOARD

FEATURES

- 4-Universal Socket Specially Designed to Accommodate Plugs of Different Design & Types
- Heavy-duty Brass Parts Contact with Hard Spring for Long Life.
- Heavy Duty Cable as per BIS Standard for High Current Carrying Capacity & Enhanced Safety.
- Energy Saving Due to Special Contact Design & Low Contact Resistance.
- Overload & Short Circuit Protection with Replaceable Fuse.
- Equipped with Surge & Spike Protection.
- Cable Length Suitable for Convenience of Connection.
- Firm Grip Sockets as per BIS Standard for Enhanced Safety.
- Ergonomic Design with Appealing Aesthetics.

EXTENSION BOARD

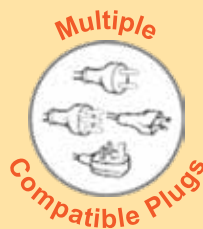

Ajanta®
QUARTZ

ARE - 050

3 WAY EXTENSION REEL

Extra Long Wire
5M

FEATURES

- 3-Universal Socket Specially Designed to Accommodate Plugs of Different Design & Types
- Heavy Duty with Hard Spring for Long Life.
- Heavy Duty Cable for High Current Carrying Capacity & Enhanced Safety.
- Energy Saving Due to Special Contact Design & Low Contact Resistance.
- Adjustable Cable Length as per Convenience of Connect up to 5MTR.
- Easy Grip for Rotating The Reel.
- Firm Grip Sockets as per Bis Standard for Enhanced Safety.
- On/OFF Switch.
- LED Power Indicator.
- Ergonomic Design with Appealing Aesthetics.
